International Chili Society Sanctioned District Cook-off Event Sponsorship

INFORMATION ABOUT BJC - Brother James Court is located in Springfield, Illinois, and can be found on the web at www.brotherjamescourt.com . For 34 years BJC has served as advocates for the developmentally disabled and to empower these individuals with special needs to fulfill their highest potential through life skill training. I have a special place in my heart for BJC. For 25 years my brother David, who is 52 years old, has called BJC home. I currently preside as president of the Association of BJC. The staff provides exceptional care for my brother and 97 other men aged 20's to 70's. The facility offers all the comforts of home and like all homes the upkeep is never ending. Proceeds from this event will be used to support BJC's operational need, which includes new furniture for the day rooms of all four residential wings. Much like a family room, the men gather in these areas's to watch television, play board games, or just be in each other's company. Thanks for your support.
